

Idaho Irrigation Equipment Association

June 2019

Report

IIEA Summer Meeting is August 1st

The Idaho Irrigation Equipment Association's Summer Meeting will be August 1-2 in the Ashton and Island Park areas of Eastern Idaho.

"This is a wonderful time to network and spend time with family and industry friends," said Shane Stevenson, IIEA President.

The Bernie Fischer Memorial H₂Open Golf Tournament will begin at 11 am on Thursday, August 1st at Timberline Golf which is near Ashton. Lunch is included with golf fees.

Non-golfers can also sign-up for a cheeseburger if they want to hang out at the lodge. Or they can drive to some scenic attractions nearby: Mesa Falls, Harriman State Park, Yellowstone National Park, Cave Falls or Warm River.

The entire group will meet for dinner and a show at 6:00 pm at the NEW Yellowstone Playhouse, 10 miles from West Yellowstone.

Please buy your tickets today for better seating. We will be watching the musical spoof, "Pirates of the Car-Rib-Bee-An" The advertising says, "Join Jack Sprat as he swash-buckles his way through this laugh-out-loud comedy. You've never seen Pirates performed quite like this."

On Friday, August 2nd, you can float or kayak from Big Springs to Mack's Inn. Please bring your own water crafts or plan to rent them. Trace Bedke, Butte Irrigation, is the float captain. If you have questions, please call him: (208) 431-8518.

Activities in Eastern Idaho

LODGING: There are a variety of lodging options at many price points in the Island Park area. There are no IIEA Rooms reserved at hotels in the area. If you haven't reserved a room yet, don't delay. There is a condo available at Timberline for \$389/night for a large family or group. If you rent it, you also get the attached playground (which would be wonderful if you would share with IIEA families.) Timberline also has an RV Campground and two-bed cabins.

While you're in Eastern Idaho consider visiting these beautiful places...

Rafting on Henry's Fork

Upper Mesa Falls is a waterfall on the Henrys Fork in the Caribou-Targhee National Forest. Upstream from Lower Mesa Falls, it is roughly 16-miles away from Ashton, Idaho. Upper Mesa Falls is roughly 114-feet high and 200 feet wide.

Timberline has a **Trapline Sports Park**. Shooting rounds are \$10 each, however there is a \$250 minimum. Sober shooting is required :) Call JC if you want to arrange a shooting time during the weekend. (208) 351-0822.

Yellowstone National Park is located near the West Yellowstone Park entrance. **Old Faithful** erupts every 35 to 120 minutes for 1 1/2 to 5 minutes. Its maximum height ranges from 90 to 184 feet. It is not the biggest or the most regular geyser in Yellowstone but it is the biggest regular geyser.

Cave Falls in Yellowstone National Park, Wyoming is about 15 miles from Timberline Golf Course.

There is a fish feeding station on the lower end of the **Warm River**, near the mouth of Robinson Creek. This area is closed to fishing, but anglers can toss bread or fish pellets into the river here and see many large trout rise to the offering. <https://idfg.idaho.gov/ifwis/fishingplanner/water/1113329441119>
