Certification Code of Ethics

I subscribe to the following code of ethics and will:

- uphold the integrity of the irrigation industry.
- protect public health and safety.
- comply with all local, regional, and national laws and regulations.
- adhere to the concepts of free enterprise.
- follow fair and honest business practices, including legitimate representation of my personal capabilities, experience, certifications and licenses.
- apply ethical practices to all contractual and warranty obligations.
- use responsible procedures in the design, installation, management and maintenance of irrigation systems.
- promote best management practices for water, soil and energy through efficient and cost-effective irrigation system design, installation, management and maintenance.
- work to gain respect and recognition for the irrigation industry at the local, regional, national and international level.

Declaration:

- I declare that the information contained in this application is true and accurate.
- I understand that falsification is grounds for revocation of certification.
- I understand that I am required to respond to an audit of my CEUs, if selected.
- I have read and agree to follow the certification code of ethics.
- I understand that failure to adhere to the certification code of ethics may result in disciplinary action up to and including revocation and/or exclusion from the certification program.

Acceptance of the code of ethics is **required** for approval.
